

Graffiti Remover

Customer reviews on the new Graffix graffiti remover range from great to fabulous. When we say spray it on, wipe it off, we mean it. Best of all, it's environmentally friendly, biodegradable and safe to use.

- > Environmentally Safe
- > Biodegradable
- > Neutral Scent

PRODUCT/ DESCRIPTION	USES	SIZES
<p>Graffix - graffiti remover</p> <p>GRAFFIX is an environmentally safe liquid gel used to remove paint and chemical resistant coatings and does not contain MEK or other harsh, flammable chemicals. It is specially designed to remove multiple layers of oil and latex paints from various substrates, including HDPE, wood, brick, stone or metal. Gel is formulated to adhere to vertical surfaces without running.</p>	<p>GRAFFIX contains no water and is intended to be used undiluted. Spray GRAFFIX on surface to be treated. Allow 1 minute for formula to activate. For best results, wipe off with provided sponge. Rough towel or rag is also acceptable. Deep penetrations of ink or paint may require a second application. Apply GRAFFIX and allow gel to soak an additional 2-4 minutes. Wipe with sponge and rinse if necessary.</p>	<p>32 oz, 1, 6, 55 gallons</p>
