<p><b>All-Purpose</b></p> <p><b>Quick Tabs Regular</b> effervescent tablets provide excellent odor protection along with a pleasant fragrance for normal weekly applications. Time-released biocides react with odor causing bacteria to control growth and reduce odors. Our fragrance formula provides a quick burst of immediate freshness that continues throughout the week. Tabs dissolve in all water conditions, including brine solutions.</p> <p><i>Fragrance: Fresh</i></p> <p>240 per Case (5 bags of 48)</p>	<p><b>Special Events, Cool Weather &amp; Low Traffic</b></p> <p><b>Quick Tabs Event</b> effervescent tablets are formulated for special events, cool conditions and low traffic areas. Use <b>Event tabs</b> when servicing unit multiple times per week or when temperatures and traffic are at lower levels. Our fragrance formula provides a quick burst of immediate freshness that continues between services. Tabs dissolve in all water conditions, including brine solutions.</p> <p><i>Fragrance: Fresh</i></p> <p>240 per Case (5 bags of 48)</p>	<p><b>High Heat &amp; High Traffic</b></p> <p><b>Quick Tabs Extreme</b> effervescent tablets have an added amount of active ingredients and fragrance for better odor control in high heat and high traffic applications. Tabs are formulated with time-released biocides that provide continuous odor control and a pleasant fragrance between services. Tabs dissolve in all water conditions, including brine solutions.</p> <p><i>Fragrance: Fresh</i></p> <p>240 per Case (5 bags of 48)</p>
