TO THE UNTRAINED EYE,
THIS LOOKS LIKE
A 55 GALLON DRUM
OF DEODORIZER

TO AN ROI REWARDS
MEMBER, IT LOOKS LIKE
A FREE RESTROOM

When you're an ROI Rewards Member, every purchase of a Safe-T-Fresh product earns points you can redeem for free restrooms, handwash stations, holding tanks and even parts for Satellite products.

So far, operators have redeemed their points for over \$700,000 in free products! And the rewards don't end there because all these products continue to earn money over the life of the product (see

example below). But, these rewards only come to those with an eye for a great deal. If that's you, make sure your next order is with Safe-T-Fresh and begin turning your deodorizer expenses into added profits.

12,000 pts

(choose one of the following)

- Tufway Taurus Global Maxim 3000
- Holding Tank Wave Breeze
- (3) Slimmate Handwash

30,000 pts

(choose one of the following)

- Global 1.5

42,000 pts

(choose one of the following)

- Freedom (ADA)

(fully loaded)
- Highrise
(with roof and lift kit)

Parts: 240 points = \$10

EXAMPLE: The total return on a free restroom that remains in service for 10 years is \$11,400. That number is based on the value of the restroom (\$600), plus the revenue earned through rentals during that 10 year period (\$90/month, 12 months/year, for 10 years, equals \$10,800). If you earn one restroom per year in the ROI Program, at the end of 10 years the return is \$65,400.
